PROTECTION FILM TRANSPARENT

Suited for

Automotive Refinishing

Composite Industries

Technical Specifications

Colour	Transparent
Width	150 mm
Length	2 m
Adhesive	Acrylic
Carrier	PU film
Thickness	0,19 mm
Temperature Range	-15°C to 85°C
Elongation	250%
Tensile Strength	30 N/mm ²
UV Resistance	Good
Package Qty.	12
Storage Temperature	10°C to 30°C
Shelf Life	12 months
